Dear Community:

When Annie Taylor Dee founded the original Thomas D. Dee Memorial Hospital in 1910, she started a tradition of caring in our community. It is with this in mind as I look back on this past year, that I am truly humbled by the way our donors still believe in her vision and carry on her dream one hundred years later. It was Annie's dream of having quality health care available to everyone, regardless of a person's ability to pay. Your support demonstrates your desire to also make a difference in the lives of others.

Last year was a time of reflection and celebration. We reflected on Annie's heartache of watching both her young son and husband die, and the subsequent struggles that drove her passion to build Ogden's first Hospital. We reflected on the partners that joined along the way, including extended Dee family members, President David O. McKay, the Church of Jesus Christ of Latter Day Saints, and Intermountain Healthcare.

While we reflected on the Hospital's history, we also celebrated! In fact, all of the Foundation's activities and events in 2010 were built around the 100 Year milestone. One of the most unforgettable events was the 100 Year Anniversary Gala held in April. Close to eight hundred community members gathered for a black tie dinner which included notable guests, government dignitaries, historic relics, and a video that highlighted moments of the three different Dee Hospitals.

We celebrated the priceless advancements in health care. We celebrated the doctors, the nurses and other hospital workers. We celebrated our patients and how our lives are interwoven into the fabric of this Hospital forever. We also celebrated guest hospitality by building and opening the Annie Taylor Dee Guest Home – a home away from home for families of critically-ill patients.

During our anniversary year, we said farewell to Cathleen Sparrow, the Executive Director of the Foundation who left to take a position outside of Intermountain. She made an indelible mark on the Hospital through her dedication to helping others and seeing the monumental Guest Home project through to its completion. We thank her for her commitment and the difference she made while she was here. We express thanks also to Karen Burnett, Human Resources Director for McKay-Dee Hospital and the Urban North Region, who is serving as Interim Director until the position is permanently filled.

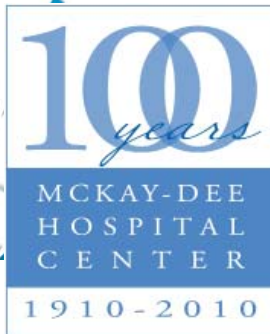

As Chair of the Foundation Board of Trustees, I am very honored and grateful to have celebrated this remarkable year with you and the "tradition of caring" started by Annie so many years ago. Your ongoing support of the McKay-Dee Hospital Foundation has and will continue to enable the fundamental core of our mission. You help make our community, our neighborhood, and our world a better place to live. Thank you.

Very sincerely yours,

Pat Condon, Chair

100 Year Anniversary Gala

April 30, 2010

“A Time for Reflection A Time for Celebration”

Close to 800 supporters attended the 100 Year Anniversary Gala to celebrate the remarkable Hospitals that have stood as community icons for quality healthcare. We have learned that our Hospitals are more than just walls, they are beacons of hope and encouragement to every person who walk through our doors.

At the Gala we relived the Hospitals through the memories and recollections of Dee family members, representatives from the Church of Jesus Christ of Latter Day Saints, Intermountain Healthcare, McKay-Dee Hospital Center and individuals who experienced the Hospital personally.

The night evoked personal memories from each person in attendance.

The new Annie Taylor Dee Guest Home was the recipient of \$70,000 in proceeds earned from the Gala event. The Gala was dedicated to the memory of Thomas D. Dee, II, grandson of Annie Taylor Dee and other visionaries who were key to the success of the all three Hospitals.

An anniversary is a time to celebrate the joys of today, the memories of yesterday, and the hopes of tomorrow. Author Unknown

Annie Taylor Dee Guest Home

July 14, 2010

“A Home Away from Home”

On July 14, 2010, Dee Family members, employees, volunteers, board members and community dignitaries united to commemorate the opening of the new “home away from home” at the ceremonial ribbon cutting.

Engraved bricks and pavers adorning the pathway to the Annie Taylor Dee Guest Home entrance are visible reminders of the love that poured into building the Home.

Donor signs on rooms and lobbies, the wall of honor, the alcoves in the hallways, and even the elevator also bear the names of Dee Family members and donors who enthusiastically supported this wonderful project – a true labor of love.

The first guests checked in on August 2, expressing disbelief that such a beautiful place was provided for them by our community. In 2010, 140 guests were afforded the convenience of the guest home at a slight cost.

It is fitting that the home bear the name of Annie Taylor Dee, founder of the Hospital, as a tribute to her legacy. The Annie Taylor Dee Guest Home was entirely built from and will continue to operate through your generosity.

“You know you have appreciated the past enough, when the future looks bright”.

More Milestones!

Mary Barker Waterfall Lobby - Mary Barker was honored earlier this year when the trustees of the Samuel C. & Myra Powell Foundation made a special gift to name the Waterfall Lobby. The surprise naming was a gesture of appreciation for her long-time service to McKay-Dee Hospital, the Powell Foundation and the community. Mary has served on the Foundation Board of Trustees since 1993 and also serves on the Hospital Board of Trustees.

Utah Philanthropy Day - Each year the Utah Society of Fund Raisers holds an event to celebrate and show appreciation for the philanthropic spirit and generous volunteerism which contributes to our community each and every day. Dwight Baldwin was the McKay-Dee Hospital Foundation 2010 nominee and recipient of the "Hearts and Hands" award. Dwight received a special pin, certificate and recognition at the Philanthropy Day luncheon in November.

Dwight has donated countless hours of time, service and money to support the many needs at the Hospital. Dwight is Past Chair of the Foundation and continues to serve on the Foundation and Hospital Boards of Trustees. If you attended the Jaynie Nye Memorial dinner or other Foundation events, you may have bid on a night with the Jazz, Jet Ride, trip to New York or other fun items or adventures that Dwight has donated to help the Hospital.

Anniversary Book Release Party - The "One Hundred Years of McKay-Dee Hospital" book was created to commemorate this milestone. Hours of research and interviews with key personnel were put into creating a book worthy of the Hospital's legacy. The book, produced by Haight Handy Communications has been a work in progress for several years in anticipation of the anniversary. Working together with McKay-Dee Hospital Public Relations, a Book Release Party was held on November 22. This special book was reserved for everyone who attended the 100 Year Anniversary Gala.

2010 Guardian Angels

The Guardian Angel Program is a venue for grateful patients to recognize superior service. A monetary gift was made to the Hospital in gratitude of the following Guardian Angels who also received a pin and special recognition. "This honor means so much to me," stated Dr. Goff. "This is one pin I will treasure and wear with pride all the time."

- Dr. Sergio Collado

- Dr. Charles Lawton
- Dr. David Goff
- Neil Garner, Nurse Manager
- Healey Bartlett, Nurse

2010 Medical Education Open June 28

Valley View Golf Course was the scene for the 11th annual Medical Education Open. Tournament proceeds of \$26,393 will provide clinical personnel with education to keep them abreast of cutting edge treatments and the latest advancements in technology.

2010 McKay-Dee/Standard Examiner Classic Race September 10

Runners of all ages gathered to participate in the McKay-Dee Standard Examiner Classic Race. Registration proceeds will benefit Heart Services at McKay-Dee Hospital and The Reach Out and Read Programs.

The Jaynie Nye Memorial Benefit Concert with Kurt Bestor - December 14

"Change a Life for Good" was the theme of this year's benefit. Sponsorship proceeds from the dinner, live and silent auctions and fund-the-need donations brought in \$76,000 to make a difference for cancer patients and their families. Cancer support groups, cancer screenings, and Cancer Survivor's Day are just a few of the services that directly touch and improve the lives of cancer patients. A portion of the proceeds will also help

benefit the Annie Taylor Dee Guest Home Day Room available for cancer patients who need a place to stay between treatments.
