Things to Remember When Decorating Your Centerpiece or Collectible

- MUST BE ARTIFICIAL.
- Centerpieces with a Christmas theme sell best. Beauty, creativity, and imagination add spice!
- Furnish a box(es) for delivery and storage of your item.
- Boxes must be marked with the name of the design and space number and placed directly under the display table.
- Tables are covered in white. However, you may provide table coverings (which will be sold with your creation) to complement your arrangement.
- If using lights, use those with UL listing. Include any replacement bulbs and fuses in your storage box.
- We encourage accessories such as candles, ceramics, table settings, table coverings, and other items you feel will enhance your design (which will be sold with the arrangement).
- Live plants, water ornaments, globes, or other water features are not allowed.
- All Centerpieces and Collectibles and accessories become the property of Festival of Trees and will be priced and sold as such.
