

2022 Gift Boutique

All items for Gift Boutique are high quality, handmade items.

Ideas are available on the Festival of Trees website: www.festivaloftreesutah.org

Start Early

Large numbers of quality handmade gifts are needed. Involve your friends, relatives, neighbors and associates. **Please stress the importance of new quality items**, but graciously accept all gifts. Encourage donors to package items when appropriate. It helps sell the items when they are beautifully wrapped.

Turn In

We encourage all gifts to be completed by November 1 so they can be turned in at our **November 5th Board Meeting** and priced before Festival begins. Gifts need to be boxed up and brought to the Warehouse. Closed boxes or boxes with lids are preferred.

Pricing

Please include the cost of materials for each item. Our goal is to price items at market value. Knowing what you spent helps the Gift Boutique Department know where to start pricing. The quality of work, colors, and gifts wrapped in clear cellophane all influence the price.

Thank you!

We appreciate every item donated. Please send a thank you note to each person who contributes to Festival. Festival of Trees thank you cards will be provided to all board members.

Gift Ideas

The Gift Boutique Department members will be providing several examples of items they would like Board Members and their committees to make and donate. On page 2 is a list of popular items that sell well in the Gift Boutique. If you already have an idea in mind, please contact the Department Chair and let her know. This will help her to control too many duplicate or like items. Please remember to make high quality items. We want to get the most money possible for all your hard work.

If your gift item is fragile, please deliver it directly to the Gift Boutique at the Mountain America Expo Center on Monday, November 28, 2022.
