JUBILEE OF TREES™

2023 SPONSORSHIP OPPORTUNITIES

Join Us for the Jubilee of Trees

Intermountain Foundation invites you to partner with us as a sponsor of the 2023 Jubilee of Trees. We are pleased to announce proceeds from this year’s event will support expanding the state-of-the-art surgical services at Intermountain St. George Regional Hospital – increasing access, retaining talent, and upgrading technology.

This longstanding annual tradition, now in its 40th year, is brought to life by a dedicated board whose members enlist the time and talents of families, organizations, and businesses throughout Utah and neighboring states. Together they create an incredible experience for the community, with an average attendance between 5,000 and 10,000, while raising funds to benefit families from Southern Utah and the surrounding area who receive care at St. George Regional Hospital.
