# Gifts of Gratitude

## Make a Great Impact

Sometimes words are not enough to express the gratitude we feel for the care that we have received.

Physicians, nurses, volunteers, and staff members do their best each day to demonstrate the spirit of caring that defines the mission at St. Mary's Medical Center.

Perhaps the most impactful way to recognize the extraordinary care you received at St. Mary's Medical Center is through a gift of gratitude in honor of a St. Mary's associate, volunteer or department.

St. Mary's Circle of Care provides you the opportunity to say "thank you" to those who made a difference and were there when you needed them the most.
