Printed and E-Syllabus Options

In order to provide high quality images and graphics, the syllabus for the Common Problems in Pediatrics Conference will be available to all attendees online for download in advance of the conference. The electronic syllabus will contain presentations that were provided by the speakers. Presentations are available by discretion of the speaker and the online syllabus will be updated each day of the conference. If you would like to receive a printed copy, simply select that option on the registration form; please note that an additional fee of \$50 for supplies and \$10 for shipping costs applies.

Location

The 44th Annual Common Problems in Pediatrics Conference will be held June 6-8, 2022 in-person at Primary Children's Hospital, Eccles Outpatient Services Education Center. A virtual viewing option is also available.

Exhibits

The conference will showcase the latest products and services to keep you up to date, as well as community referral resources for your practice. Exhibits will be open Monday, Tuesday, and Wednesday, in-person only.

Fees

Fees include tuition, electronic course syllabus, and certificate of completion.

Cancellation Policy

Cancellation and Reimbursement Policy: Full (100%) registration reimbursement for cancellation more than 14 days prior to the beginning of the activity. Half (50%) registration reimbursement for cancellation between four (4) and fourteen (14) days prior to the beginning of the activity. No reimbursement for cancellation three (3) days or less prior to the beginning of the activity.

Exceptions

Exceptions may be allowed only under extenuating circumstances and with approval from the IPCE Director, IPCE Medical Director, and AVP for IPCE.

Objectives

The Common Problems in Pediatrics Conference is designed for physicians, residents, advanced practice providers and others interested in pediatric care issues. The latest practical information on delivering healthcare to children will be presented through lectures and discussions. Interaction between faculty and the audience is facilitated through question and answer periods.

A wide variety of clinically relevant topics have been included to appeal to a broad range of interests. As a result of this conference, the attendee should be able to evaluate, manage, and appropriately refer pediatric patients with problems in the areas of autism, gynecology, partner violence, DCFS, COVID-19, psychiatry, seizures, abdominal pain, food insecurity, PCOS, concussion, constipation, racism, and myocarditis.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Healthcare, Primary Children's Hospital, the Department of Pediatrics at the University of Utah School of Medicine and the Utah Chapter of the American Academy of Pediatrics. Intermountain Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA Credit

Intermountain Healthcare designates this live activity for a maximum of 12.75* AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Credit hours are subject to change and based on actual learning hours and at the discretion of IPCE.
