

# FESTIVAL OF TREES

2021

## GIFT BOUTIQUE

All items for Gift Boutique are high quality, handmade items. Your time and effort are greatly appreciated and we recognize each item as “A Gift of Love”.

Patterns and ideas are available on the Festival of Trees website:

[www.festivaloftreesutah.org](http://www.festivaloftreesutah.org)

### Start Early

Large numbers of quality handmade gifts are needed. Involve your friends, relatives, neighbors and associates. **Please stress the importance of quality items**, but graciously accept all gifts. Encourage donors to package items when appropriate. This helps sell the items if they are beautifully wrapped.

### Turn In

We encourage all gifts to be completed by November 1 so they can be turned in at our first November Board Meeting and then priced before Festival begins. Gifts need to be boxed up and brought to the Annex. Closed boxes or boxes with lids are preferred.

### Pricing

**Please include the cost of materials for each item.** Our goal is to price items at market value. Knowing what you spent helps the Gift Boutique Department know where to start pricing. The quality of work, colors and when appropriate, the gifts are wrapped in clear cellophane, influence the price.

### Thank you!

We appreciate every item donated. Please send a thank you note to each person who contributes to Festival.

### Gift Ideas

This year, the Gift Boutique Department members will be providing several examples of items they would like Board Members and their committees to make and donate. If you already have an idea in mind, please contact the Department Chair and let her know. This will help her to control too many duplicate or like items. Please remember to make high quality items. We want to get the most money for all your hard work.

**If your gift item is fragile, please deliver it directly to the Gift Boutique at the Mountain America Expo Center on Monday, November 29, 2021.**
