

A letter from our

2020 PATIENT CHAMPION

Hi! My name is Payson! I am a Patient at Primary Children's Hospital, I was diagnosed with leukemia on May 3, 2017. I get to be the Children's Miracle Network. I am so excited to meet you guys. If I don't get to meet you I hope you at least get this letter. Thank you so much for donating. I hope you know it's not going to waste. It's going to good hospital and/or good patients. and I hope that you will keep donating. But both me and you know that it's more than money, it's support that lets kids know that there's more people out there that are cheering them on to ring the bells. I hope you know that your support is a BIG part of the kids' journey. Thank you for spending your time to read this. Thanks for talking BYE! 🐼
