

# EXPANDING BEHAVIORAL HEALTH SERVICES

**The new Primary Children's Hospital Behavioral Health Center** will provide comprehensive pediatric mental health services, featuring:

- **Fifty percent more inpatient beds**, including Utah's first dedicated space for mental health crisis care for youth with autism and neuro-diverse needs.
- **Family-centered behavioral healthcare**, where family members will be actively engaged in their child's care and able to stay overnight.
- **Outpatient spaces**, designed for more intensive outpatient treatment, day treatment, and group therapy programs.
- **A new Crisis Walk-In Center**, providing one streamlined access point for crisis care — and replacing local hospital emergency departments as a family's only option during crisis situations.

**PRIMARY  
PROMISE**

**Primary Children's Wasatch Canyons  
Behavioral Health Campus**

5770 S 1500 W • Taylorsville, UT 84123

**Opening  
Late  
2025**
