Dec. 3 Precision Medicine: Coming to a clinic near you?

Martin Tristani-Firouzi, MD

Professor of Pediatrics
Edward B. Clark Endowed Chair in Pediatrics
University of Utah
Associate Director, Nora Eccles Harrison
Cardiovascular Research Training Institute

Objectives

- Discuss what is precision medicine and how precision medicine may impact patient care in the near future
- Review the practical hurdles that limit the widespread use of precision medicine at the point of care

Dec. 10 Advancing Health Equity through the Lens of Food Insecurity

Hans Kersten, MD

Medical Director, Grow Clinic
Associate Chair,
Health Disparities and Community Engagement
St. Christopher's Hospital for Children
Professor of Pediatrics
Drexel University College of Medicine

Objectives

- Review the epidemiology of food insecurity (FI) and other social determinants of health (SDH)
- Outline an approach to address FI in healthcare settings that includes an ongoing analysis
- Discuss the role of addressing FI and other SDH in helping an organization achieve health equity

No Pediatric Grand Rounds on December 17 and 24, 2020.
Please join us again on January 7, 2021.
