Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Healthcare, Primary Children's Hospital, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit: Intermountain Healthcare designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Intermountain Healthcare is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This activity is being jointly provided by Intermountain Healthcare, Primary Children's Hospital and the Department of Pediatrics at the University of Utah School of Medicine. This live activity offers a maximum of 1 nursing contact hour. Successful completion is attendance at entire event. No commercial support is being received for this event.

Feb. 4 Resiliency After COVID: Looking Ahead to a Sustainable Future

Amy B. Locke, MD, FAAFP
Chief Wellness Officer
Professor of Family and Preventative Medicine
Executive Director, Resiliency Center
University of Utah

Objectives

- Discuss the drivers of resiliency in healthcare
- Review the role an individual can play in transforming a health system
- Discuss how to combine a focus on individual with a system level approach to professional well-being

Feb. 11 Dale Johnson Honorary Lecture— Advances in the Management of Pectus Excavatum

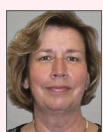

Benjamin E. Padilla, MD
Associate Professor
University of Arizona School of Medicine
Pediatric Surgeon at Phoenix Children's Hospital

Objectives

- Discuss the physiological impact of Pectus Excavatum
- Review the role of cryoanalgesia in the management of post-operative following correction of Pectus Excavatum

Feb. 18 Gillian Abbots Memorial Lecture— The Mental Health Impacts of COVID on Children, Youth, Families... and Us

V. Fan Tait, MD, FAAP
Chief Medical Officer
American Academy of Pediatrics
Itasca, Illinois

Objectives

- Review the impact of the pandemic on the mental health of children, youth, and families
- Identify opportunities and resources for diagnosis and intervention
- Utilize resources for physician resilience during COVID

Feb. 25 Inaugural Intertwined Collaboration Lecture— Trans-disciplinary Collaboration at Huntsman Cancer Institute: Advancing Toward a Cancer-Free Frontier

Mary C. Beckerle, PhD
CEO, Huntsman Cancer Institute
Jon M. Huntsman Presidential Endowed Chair
Distinguished Professor, Department of Biology
University of Utah
Associate Vice President for Cancer Affairs

Objectives

- Recognize the Huntsman Cancer Institute's mission, vision, and values, with a focus on innovations in cancer prevention, treatment, and access
- Discuss examples of partnerships aimed at advancing optimal cancer prevention and treatment strategies, including for childhood and adolescent cancers
