More info coming soon!

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Healthcare, Primary Children's Hospital, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

Continuing Medical Education (ACCME) through the joint providership of Intermountain Healthcare, Primary Children's Hospital, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit: Intermountain Healthcare designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Intermountain Healthcare is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This activity is being jointly provided by Intermountain Healthcare, Primary Children's Hospital and the Department of Pediatrics at the University of Utah School of Medicine. This live activity offers a maximum of 1 nursing contact hour. Successful completion is attendance at entire event. No commercial support is being received for this event.

Erica A. Eugster, MD
Professor of Pediatrics
Department of Pediatrics
Indiana School of Medicine
Chief, Division of Pediatric Endocrinology/Diabetology
Riley Hospital for Children
Indianapolis, IN

Objectives

- Recognize the common variants of precocious puberty along with their clinical presentation, proposed etiologies and clinical significance.
- Assess the rational for and outcomes of GnRH analog therapy in central precocious puberty and transgender youth

May 13 Medical Student Research Presentations and Research Programs in Pediatrics

Alyssa Thorman, BS, MS3
Severe Hip Subluxation in Non-Ambulatory Cerebral Palsy (CP): What Factors Lead to Lasting Success of Reduction?

Objectives

- Discuss the frequency and importance of hip subluxation in non-ambulatory children with cerebral palsy and treatment goals.

Nicolette Jessen, BS, MS3
The effects of maternal tobacco smoke on placental lipid metabolism

Objectives

- Recognize the implications and molecular drivers of maternal tobacco exposure-induced changes in placental lipid metabolism.

Isabella McNamara, MPH and Makenzie Hawkins, MSPH
Improving Safe Sleep Practices in Hospitalized Infants: Outcomes of a Quality Improvement Project

Objectives

- Define safe sleep for hospitalized infants and understand the importance of modeling behaviors of safe sleep
- Highlight strategies for improving adherence to safe sleep guidelines

Chandler Yost, BS, MS3
Potential Key Elements of Precision Care in a Long-term Survivor with Alveolar Capillary Dysplasia

Objectives

- Demonstrate that rare patients with alveolar capillary dysplasia can be managed long-term with medical therapy.

May 20 Zero Harm Annual Lecture – Pediatric Safety at Primary Children's Hospital: The Journey Continues...

Angelo P. Giardino, MD, PhD, MPH, FAAP
Wilma T. Gibson Presidential Professor
Chair, Department of Pediatrics
University of Utah School of Medicine
Chief Medical Officer
Primary Children's Hospital

Objectives

- Review the relevant patient safety data over the previous year's reporting period.
- Explore cases where the use of patient safety techniques helped the team deliver the safest care possible.

Irene Kocolas, MD
Associate Professor
Department of Pediatrics
Division of Pediatric Hospital Medicine
University of Utah

June 10 Pop-Up Grand Rounds - The Importance of Public Health Partnership in Pandemic Response and Pediatric Care: An Indian Health Services Perspective

David Sandweiss, MD
Medical Director for Rural and American Indian Outreach
Division of Emergency Medicine
Primary Children's Hospital

Objectives
