**April 13<sup>th</sup>**

**Annual Karen Hansen Honorary Lecture:  
Providing Healthcare for Children in Protective Custody**

**Mary V. Greiner, MD, MS**  
Professor of Pediatrics  
Medical Director, CHECK Foster Care Center  
Cincinnati Children's Hospital Medical Center

**Objectives**

- Describe the primary health concerns of children in protective custody.
- Explain the role of the healthcare system in addressing these health concerns, with a focus on the rationale for specialized foster care health delivery.

**April 20<sup>th</sup>**

**Infant Formula Update:  
New and Imported Formulas**

**Steven Abrams, MD**  
Professor of Pediatrics, Dell Medical School  
The University of Texas at Austin

**Objectives**

- List the range of bioactive compounds present in human milk and their potential to be added to infant formulas
- Describe formula variations recently introduced in both US produced and imported infant formulas

**April 27<sup>th</sup>**

**Annual L. George Veasy Memorial Lecture:  
Kawasaki Disease: Lessons Learned from Collaborative Research**

**Jane W. Newburger, MD, MPH**  
Commonwealth Professor of Pediatrics  
Harvard Medical School  
Associate Chair for Academic Affairs  
Department of Cardiology  
Boston Children's Hospital

**Objectives**

- Apply knowledge about the diagnosis, acute treatment, and long-term management of Kawasaki disease.
- Describe lessons learned from collaborative research on Kawasaki disease.

**Accreditation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Healthcare, Primary Children's Hospital, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

**AMA Credit:** Intermountain Healthcare designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
