

Surgery Center Construction Entrance & Parking Map

Pardon our dust during the construction of Intermountain Surgery Center, TOSH Campus!

Construction is planned to last through early 2023. During this construction phase, please note there will be very limited parking options—and at times, no parking—on the north side of TOSH. Please follow this guide for temporary parking and hospital entrance routes for departments normally accessed from the north side of campus. Thank you for your patience and understanding!

3

Entrance 3

- Orthopedic Physical Therapy
- Sports Training/Science
- Nutrition

4

Entrance 4

- Imaging Services

Parking: For Entrances 3 and 4, please park in the southern parking lots—enter from 5900 S. or Fashion Blvd. The curbside drop-off lanes in front of Entrances 1 and 2 will still be accessible by entering from either Fashion Blvd. or 250 E.
