

# ATTENTION: Airborne

Updated 04/24/2020

**Patient is currently receiving or has recently received an aerosol-generating treatment.**

**Anyone entering the room within 1 hour after treatment, MUST wear airborne contact PPE, including PAPR or N95 respirator, eye protection, gown, and gloves.**

Treatment completed at: \_\_\_\_\_

(After 1 hour, droplet contact precautions with eye protection may be worn.)

Everyone must wash their hands or use alcohol sanitizer **before and after** leaving all patient care rooms, as well as any Intermountain facility.

Scan code to see list of aerosol-generating procedures.
