

IN THE BREAKROOM

# HOW TO KEEP SAFE IN THE BREAKROOM

1

**Wash your hands** when entering the break room.

**Safely remove your mask and face shield.**

Place in your assigned storage bags or outside down on a paper towel. **Wash your hands.**

2

**Keep your distance from others** when your mask is off.

**Wipe down your eating space** before setting down your belongings and food.

When you have finished eating, **clean the space.**

3

**Wash your hands and replace your face mask.**

**Stagger your breaks** to allow for safe distancing.

**Avoid buffet-type meals.** Choose individual items instead.
