

# TAKE THE RIGHT ACTION COVID-19 TESTING

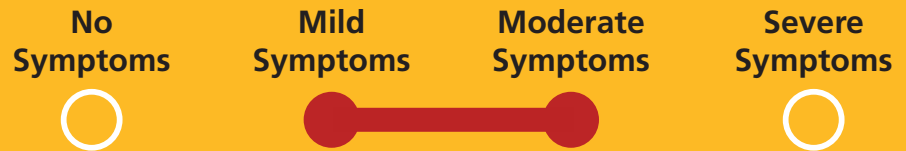

Symptoms of COVID-19 (novel coronavirus) are:  
Fever, cough, or shortness of breath.

## STAY HOME IF

Rest, drink fluids, stay six feet away from others, and wash your hands.

## CALL IF

Call COVID-19 Hotline  
844-442-5224

A healthcare professional will assess your risk for COVID-19. If testing is needed, a medical order will be provided and you'll be directed to a testing site.

For severe symptoms, visit an emergency room or dial 9-1-1
