## COVID-19 (NOVEL CORONAVIRUS)

Right now, testing is very limited and we are prioritizing testing for people with severe symptoms and who are most at risk.

### COVID-19 symptoms and criteria are:

- Fever, cough, and/or shortness of breath
- Recent close contact with a COVID-19 patient or travel to an area where it is active

*You have a right to receive a medical screening exam and necessary stabilizing treatment at the emergency department, even if you cannot pay or do not have medical insurance. If you are seeking care for an emergency medical condition, please proceed to the emergency department registration desk.*
