

PARENT & CHILD ATV RIDER AGREEMENT

This is a formal agreement between parents and children. It helps ensure that each family member is aware of the responsibility they have to keep themselves and others safe while riding ATVs.

I, _____, will use ATVs carefully and cautiously and I will follow these rules at all times:

- Always wear protective gear, including:
 - Helmet
 - Goggles
 - Long-sleeve shirt and sturdy full-length pants
 - Over-the-ankle boots
- Only ride on machines that are the right size for me and that I know how to operate safely.
- Ride on trails that I am familiar with and that are right for my skill level. Before trying a new trail, I will scout it out before riding on it.
- Ride as a single rider and not carry passengers or be a passenger on an ATV, if it is only meant for one rider.
- Apply what I learned in my ATV training as I ride.
- Carry my certification card with me while riding.
