Purpose
The Cleft Lip and Palate Conference is designed to assist the clinician navigating the many unique challenges inherent in the management of children with cleft lip and palate anomalies. The conference will focus on current and new treatment modalities in the management of these children. A comprehensive approach to management will be outlined including: initial evaluation for feeding and hearing concerns; pre-surgical orthodontics; the important role of the Social Worker; sequences of surgeries involved in cleft lip and palate repair; cleft rhinoplasty; orthognatic surgery; speech and the management of velopharyngeal insufficiency, and audiological management of patients with cleft lip and palate.

Conference Outcomes
This conference will enable the referring healthcare provider to:
1. Recognize the importance of early referral to an accredited cleft team.
2. Identify and manage early feeding, hearing and airway challenges.
3. Explain the timing and surgical management of cleft lip and palate and associated sequelae.
4. Validate the importance of including speech pathology and social work.
5. Realize the significance of accurate diagnosis of hearing and the importance of audiological management of patients with cleft lip and palate.

Location
The Carolyn Tanner Irish Humanities Building 215 S. Central Campus Drive Salt Lake City, UT
The Carolyn Tanner Irish Humanities Building is located directly east (across the parking lot) of the University of Utah Union Building. From 100 South/ North Campus Drive turn south onto Central Campus Drive. Follow the road to the end and you will circle the parking lot and enter on the east side of the lot. This lot is the Union pay lot. For more information please visit: union.utah.edu/about-us/ directions-and-parking.

Parking
Parking is available to the west of the Carolyn Tanner Irish Humanities Building in the Union pay lot. Attendees will receive complimentary parking “coupon code” that can be used at the parking kiosk. Please be sure to note your license plate before going to the kiosk.
Friday, December 8, 2017
