

Life Flight Annual Memorial Speaker

Jeffery T. Hirschi, DO

Emergency Medicine
Intermountain Healthcare Wilderness Safety Expert

Before pursuing a career in medicine, Dr. Jeff Hirschi served as the Olympic ski race patrol director for the 2002 Winter Games. He worked as a mountaineering rescue patroller on Mt. McKinley at Denali National Park, search and rescue commander, and Utah Forest Service Avalanche Center backcountry observer. Dr. Hirschi graduated from medical school in 2009 and is an emergency medicine specialist in Salt Lake City.

Location

The conference is held at:
Primary Children’s Eccles Outpatient Building
81 North Mario Capecchi Drive, Salt Lake City, UT 84113

Where to stay

Three hotels currently have special conference rates. Book early and mention the Transport Conference to get the discounted rate.

- University Park Marriott (\$139/day): 800.396.3126
- University of Utah Guest House (\$110/day): 801.587.1000
- Little America Hotel (\$106/day): 800.437.5288

How to get here

Salt Lake City’s light rail system, TRAX, has stops at the airport and Primary Children’s Hospital. For train schedules, go to rideuta.com.

Conference outcomes:

- Provide clinical care consistent with current guidelines of practice for specialty team transport.
- Demonstrate assessment and stabilization skills for the care and management of critically ill patients.
- Define management options for specific clinical disease states.

About us

Intermountain Life Flight Children’s Services delivers specialty care for newborns, infants, children, and adolescents via jet, fixed wing, rotor wing, and ground ambulance. We are Utah’s only dedicated pediatric transport team.

For more information and to register, please visit:
primarychildrens.com/transport

Presented by

Jointly presented by Intermountain Life Flight Children’s Services, Primary Children’s Hospital, and the Department of Pediatrics at the University of Utah School of Medicine.

40th Annual
Current Concepts in
Neonatal and Pediatric
Transport Conference 2018

Department of Pediatrics

What you'll learn

- Current best practices for specialty team transports
- Assessment and stabilization skills
- Care options for specific clinical disease states
- Environmental considerations for transport

Landing Zone: Props and Hops

Set your flaps and adjust your throttle to celebrate the 40th anniversary of the conference! Food and beverages provided.

Target Audience

Nurses, respiratory therapists, physicians, advanced practice clinicians, paramedics, and EMTs who have training in the transport of neonatal and pediatric patients to tertiary care centers.

Nursing Credit

WESTERN MSD *Multi-State Division* "Primary Children's Hospital is an approved provider of continuing nursing education by the Western Multi-state Division, an accredited Approver by the American Nurses Credentialing Center's Commission on Accreditation." Arizona, Colorado, Idaho, and Utah Nurses Associations are members of the Western Multi-State Division of the American Nurses Association.

This educational activity offers 15 nursing contact hours. Credit is awarded for the number of sessions fully attended. An additional 2–4 nursing contact hours are available based on optional labs attended.

Respiratory Care Credit

AMERICAN ASSOCIATION FOR RESPIRATORY CARE (AARC) Primary Children's Hospital has submitted an application for 15 hours to the American Association for Respiratory Care (AARC) for continuing education contact hours for respiratory therapists. Please provide AARC membership number during registration process.

AMA PRA Credit

ACCME *Accredited with Commendation* This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain LifeFlight, Primary Children's Hospital and the Department of Pediatrics at the University of Utah School of Medicine. Primary Children's Hospital is accredited by the ACCME to provide continuing medical education for physicians.

Primary Children's Hospital designates this live educational activity for a maximum of 15 AMA PRA Category 1 Credits™ for the Main Conference and an additional 2–4 hours for each optional skills lab attended. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

EMS Provider Credit

UTAH EMERGENCY MEDICAL SERVICES Main Conference CME credit approved by the Bureau of EMS for up to 15 credit hours and an additional 2–4 hours for the optional simulation lab.

Thursday, February 22, 2018

7–8 AM	Registration / Continental breakfast
8–8:10 AM	Opening remarks
8:10–9:10 AM	Somebody's Someone Jeffery T. Hirschi, DO
9:10–9:40 AM	Neonatal ECMO Donald M. Null Jr., MD, FAAP
9:40–10:10 AM	Balancing Act: Cardiopulmonary Interactions Richard A. Orr, MD
10:10–10:30 AM	Break / Exhibits
10:30–11:30 AM	What's the Story? Case Presentations Allison Keller, MD, and Stephen Minton, MD
11:30 AM–12 NOON	Four Bad Things: Tetralogy of Fallot David Bailly, DO, BS, AA
12 NOON–12:30 PM	Baby, It's Cold Outside: Pediatric Hypothermia Rose Linsler, FNP
12:30–1:30 PM	Lunch
1:30–2:30 PM	It's Not Always Black and White: X-ray/CT Interpretation Wyc Cheatham, MD
2:30–3 PM	The Team Approach: Neonatal Telemedicine in Transport Erick Rideout, MD
3–3:30 PM	The Lazarus Effect: Post Arrest Care Andrew G. Smith, MD
3:30–3:45 PM	Break / Exhibits
3:45–4:45 PM	Not So Accidental: NAT Bruce E. Herman, MD
4:45–5:15 PM	Mind Shielding Rich Landward, LCSW, MPA, MBB

Friday, February 23, 2018

7–8 AM	Registration / Continental breakfast
8–8:10 AM	Opening remarks
8:10–9:10 AM	Surviving Sepsis Richard A. Orr, MD
9:10–9:40 AM	Beautiful but Deadly: Lightning Strikes Allison Keller, MD
9:40–10:10 AM	Influencing Natural Selection: Survival Necessities David Weber, FP-C
10:10–10:30 AM	Break / Exhibits
10:30–11:30 AM	The Need for Speed: Neonatal Surgical Emergencies Donald M. Null Jr., MD, FAAP
11:30 AM–12 NOON	Tricks of the Trade: Managing the Pediatric Airway Laurie Merrick, BSN, RN, CCRN
12 NOON–12:30 PM	What is Neonatal PMH? Important Maternal Info. Erick Ridout, MD

3:45–4:45 PM	Tiny Tickers: Neonatal Cardiac Transport David Bailey, DO, BS, AA
4:45–5:15 PM	It's a Wrap: Summary and Review Allison Keller, MD

Optional lab days and workshops

Wednesday, February 21, 2018 / Session 1: 1–3 PM, Session 2: 3:30–5:30 PM
These optional pre-conference sessions are for main conference attendees. Registration space is limited. More information regarding time and transportation will be in confirmation emails.

Simulation Lab

Join us for a realistic transport simulation experience between ambulance and Primary Children's Hospital's state-of-the-art simulation center. Sessions focus on both neonatal and pediatric care. This program provides hands-on, interactive training in cognitive and behavioral skills. Our goal is to improve clinical skills, teamwork, and communication when managing a crisis situation.

Procedure Lab

The procedure lab focuses on intubations, difficult airways, umbilical lines, I.O's, and chest tubes.
