ACCME ACCREDITED WITH COMMENDATION

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Primary Children's Hospital and the Department of Pediatrics at the University of Utah School of Medicine. Primary Children's Hospital is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit: Primary Children's Hospital designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Pediatric Ground Rounds is jointly provided by Primary Children's Hospital and the Department of Pediatrics at the University of Utah School of Medicine.

Primary Children's Hospital is an approved provider of continuing nursing education by the Western Multi-State Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Arizona, Idaho, and Utah Nurses Associations are members of the Western Multi-State Division of the American Nurses Association.

Pediatric Ground Rounds is jointly provided by Primary Children's Hospital and the Department of Pediatrics at the University of Utah School of Medicine.

This continuing education activity offers 1 nursing contact hour.

Successful completion is attendance at entire event.

Any display or use of any commercial product in this education activity does not imply ANCC commission on accreditation or WMSD endorsement of the products.

May 3 Congenital CMV infection

Suresh Boppana, MD
Professor, Division of Pediatric Infectious Disease
University of Alabama at Birmingham
Children's of Alabama

Objectives:
- Explain the global disease burden of congenital CMV infection
- Discuss the current state of knowledge of the diagnosis and management of children with congenital CMV infection

May 10 Reducing child health disparities: Moving from intent to execution, scarcity to abundance

Robert S. Kahn, MD, MPH
Associate Chair of Community Health
UC Department of Pediatrics
Associate Director
Division of General and Community Pediatrics
Physician Lead, Community and Population Health
James M. Anderson Center for Health System Excellence
Cincinnati Children's Hospital

Objectives:
- Explore an approach to child health disparities at the population level
- Discuss two strategies to reduce health disparities–quality improvement and community activation

May 17 Medical student research presentations and undergraduate research programs in pediatrics

Ira L. Kraft
Beyond the triad:
Exploring tumorigenesis in MEN2B

Antigone Kithas
Increasing adherence to a safe hand-off structure

Maija Holsti, MD, MPH
Academic associates and NARI

Objectives:
- Review results of student research projects in the Department of Pediatrics
- Determine the impact of an undergraduate research program in pediatrics

May 24 Using successes—and failures—to determine key drivers for improved patient safety

Jeff E. Schunk, MD
Professor, Division of Pediatric Emergency Medicine
Department of Pediatrics
University of Utah School of Medicine
Interim Chief Medical Officer
Primary Children's Hospital

Katy Welkie, MBA, BSN, RN
Administrator/Chief Executive Officer
Primary Children's Hospital

Objectives:
- Describe the patient safety outcomes during the past year
- Discuss implemented ideas to enhance patient safety
- Explain key drivers behind our successes and failures in patient safety from the past year
