

Keynote Speaker
Kacey McCallister

Kacey McCallister is a motivational speaker, teacher, husband, and a father of 5. He is best known for competing in Spartan Obstacle Course Races, where he has received the “Trifecta” award. Kacey is also a double amputee, who lost his legs when he was just six years old. Kacey has been an inspiration to all those around him as he has always strived for greatness, overcoming the challenges he’s faced. Kacey knows that nothing in life comes easy. He says hard work is his superpower.

Life Flight Annual Memorial Speaker
Erik Pearson, MD

Dr. Erik Pearson is a board certified pediatric surgeon in Las Vegas where he cares for the entire spectrum of pediatric surgical conditions. While primarily caring for children in the Las Vegas community, Dr. Pearson responded to the Las Vegas mass shooting on October 1st. He had the opportunity to play a role in the incredible team effort that answered the call for victims and their families.

Guest speakers

Robert ‘Wyc’ Cheatham III, MD
Pediatric and Neonatal Intensivist
Neonatal Critical Care
Eastern Idaho Regional Medical Center

Shannon L. Jenkins, DO
Neonatologist
Ogden Regional Medical Center

Objectives

Upon completion, the participant will be able to:

- Provide clinical care consistent with current guidelines of practice for specialty team transports
- Demonstrate assessment and stabilization skills for the care and management of critically ill patients
- Outline management options for specific clinical disease states
- Discuss limitations and effects of the transport environment on the patient

About us

Intermountain Life Flight Children’s Services delivers specialty care for newborns, infants, children, and adolescents via jet, fixed wing, rotor wing, and ground ambulance. We are Utah’s only dedicated pediatric transport team.

— 41st Annual —
Current Concepts in Neonatal and Pediatric
Transport Conference 2019

Department of Pediatrics

Wednesday, February 20, 2019

Session 1: 1–3 PM, Session 2: 3:30–5:30 PM.
These optional pre-conference sessions are for main conference attendees.

Optional Lab Day/Workshops

Simulation Lab

Join us for a realistic transport simulation experience between ambulance and Primary Children’s Hospital’s state-of-the-art simulation center. Sessions focus on both neonatal and pediatric care. This program provides hands-on, interactive training in cognitive and behavioral skills. Our goal is to improve clinical skills, teamwork, and communication when managing a crisis situation. *Registration is limited.*

Procedure Lab

The procedure lab focuses on intubations, difficult airways, umbilical lines, I.O’s, and chest tubes. *Registration is limited.*

Flying in the Wire and Obstruction Environment Course (8 AM–4 PM)

The “Flying in the Wire and Obstruction Environment Course” is a multi-media seminar acclaimed by professional airplane and helicopter operators world-wide. It gives low-level flight crews the essential skills needed to safely operate an aircraft in wire and obstruction environments. Presented by Robert A. Feerst, President of Utilities/Aviation Specialists Inc. Mr. Feerst combines thirty-eight years of aviation experience with thirty-one years of operating in a joint gas & electric utility and specializes in Crew Resource Management (CRM) training with focus on flying low level in the Wire and Obstruction environment.

Nursing Credit

“Primary Children’s Hospital is an approved provider of continuing nursing education by the Continuing Nursing Education Group, an accredited approver by the American Nurses Credentialing Commission on accreditation.”
Arizona, Idaho and Utah Nurses Associations are members of the Continuing Nursing Education Group of the American Nurses Association.

This educational activity offers a maximum of 19 nursing contact hours if all conference sessions are attended. Credit is awarded for the number of sessions fully attended.

Respiratory Care Credit

Primary Children’s Hospital has submitted an application for 15 hours to the American Association for Respiratory Care (AARC) for continuing education contact hours for respiratory therapists. Please provide AARC membership number during registration process.

AMA PRA Credit

 This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain LifeFlight, Primary Children’s Hospital and the Department of Pediatrics at the University of Utah School of Medicine. Primary Children’s Hospital is accredited by the ACCME to provide continuing medical education for physicians.

Primary Children’s Hospital designates this educational activity for a maximum of 19 *AMA PRA Category 1 Credit(s)™* for all conference sessions attended. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Thursday, February 21, 2019
