Purpose

Interdisciplinary healthcare providers are invited to meet, discuss, and share knowledge with leading Neurologists, Neurosurgeons, and Rehabilitation Specialists about the latest research and developments in treating pediatric neurological and neurosurgical conditions.

Learn how to better diagnose your pediatric patients who are exhibiting neurological and neurosurgical conditions and meet interdisciplinary specialists who can join your treatment teams for the best outcomes for these amazing children.

Target Audience: Pediatricians, Family Medicine, Advance Practice Clinicians, Rehabilitation Specialists, Speech Language Pathologists, Occupational Therapists, Physical Therapists, Neuropsychologists, Neurologists, Neurosurgeons, Nurses, Residents, Fellows, and other interested healthcare providers

Location

This year's conference will be held at the Primary Children's Eccles Outpatient Building Conference Center located at 81 North Mario Capecchi Drive, in Salt Lake City, Utah. Location map and parking instructions will be sent with your registration confirmation.
