

Surgery Center Construction Entrance & Parking Map

Updated July 27, 2021

Pardon our dust during the construction of the TOSH campus' Intermountain Surgery Center!

Construction is planned to last through Fall 2022. During this construction phase, please note there will be very limited parking options on the north side of TOSH. Please follow this guide for temporary parking and hospital entrance routes for departments normally accessed from the north side of campus. Thank you for your patience and understanding!
