

## FREE GUN LOCKS AVAILABLE

### Stronger. Safer. Together.

Gun locks are a safe effective way to reduce access to a firearm. They are easy to use and we encourage you to pick one up for yourself or a family member or friend who own firearms.

Safe firearm storage is one of the simplest and most effective things we can do to prevent suicide.

If you or anyone you know is in crisis please call the National Suicide Prevention Lifeline at 1-800-273-8255.
