

INTERMOUNTAIN HEALTHCARE OFFERS A FINANCIAL ASSISTANCE PROGRAM

to residents in our service area for medical care received at Intermountain clinics and hospitals.

THE FINANCIAL ASSISTANCE PROGRAM

can be used for most Intermountain Healthcare medical care that a medical provider decides is needed.

HOW DO I KNOW IF I QUALIFY?

If you are uninsured or have difficulty paying for healthcare, you may qualify. Eligibility is based on a sliding scale that considers many factors. This includes your family size, income, cash, bank account balances, and your medical bills. You may also qualify if you have a catastrophic healthcare event.

This table will help you see if *you may qualify*:

Family size	2016 household income before taxes <i>up to</i> these amounts:
1	\$57,450
2	\$77,550
3	\$97,650
4	\$117,750
5	\$137,850
6	\$157,950
7	\$178,050
8	\$198,150

If your family has more than eight people, add \$20,100 for each additional family member.

WHAT TO INCLUDE IN YOUR APPLICATION

Please provide the following:

- Your current savings and checking account statements;
- Your two most recent pay stubs or other proof of income from any source. If you are self-employed or unemployed, provide copies of your last three months of bank statements;
- Your most recent tax return, including all forms included in your return;

WHAT HAPPENS AFTER I APPLY?

A representative will review your information and determine if you qualify. You will be contacted about your qualification. You may be asked to apply for Medicaid or other programs before you receive financial assistance. The representative can help you with this application.

IF I QUALIFY, HOW MUCH HELP WILL I RECEIVE?

The amount of financial assistance is based on your need. Intermountain considers all of the information you provide with your application to determine if you qualify. Your information is evaluated based on national guidelines.

Keep in mind, even if you qualify for Financial Assistance, you will be asked to pay part of your bill. The amount will be within your ability to pay.

WHAT BILLS WILL FINANCIAL ASSISTANCE COVER?

Intermountain's Financial Assistance Program only applies to bills with Intermountain Healthcare hospitals, clinics, and some healthcare providers employed by Intermountain Healthcare.

This means some of your medical care may not be covered. For example, medical care provided by radiologists or anesthesiologists is not covered. For a list of providers who are covered within this program, go to the Intermountain website: www.intermountainhealthcare.org/assistance

Please contact your non-Intermountain Healthcare providers directly to ask if any financial assistance is available.

WHAT IF I DON'T QUALIFY?

Intermountain Healthcare can help you manage your bills even if you do not apply or qualify for financial assistance. Intermountain offers both short-term and long-term payment plans. Call 866.415.6556 for more information.

If you are eligible for financial assistance and receive hospital medical care, you will not be charged more than the amounts generally billed to insured patients for emergency or other medically necessary care.
