

Jubilee of Trees

Celebrating Health

in Bear River Valley

Dear Friends,

The Bear River Valley Hospital Foundation announces the ninth annual Jubilee of Trees. This fundraising event assists the hospital in providing state-of-the art healthcare close to home.

The Jubilee of Trees will be hosted Nov. 18-20 at the Box Elder County Fairgrounds Fine Arts building in Tremonton, and will be open to the public each day during an established set of viewing hours.

The Jubilee features the sights and sounds of the holidays, making it a kick-off to the giving season.

Trees, wreaths, holiday gifts and décor, music and great entertainment are the hallmark of the celebration.

The Foundation Board is seeking community engagement to make this the must attend event. Please consider the following ways in which you can participate:

- Become a sponsor or purchase a table at the Jubilee Dinner on Tuesday, Nov. 20, at 6:30 p.m. Sponsorship packages range from \$1,000 to \$10,000. Dinner tables for eight guests may be purchased without sponsorship commitment for \$500 online at **bearriverhospital.org/jubilee**.
- Donate trees, holiday items, or any other gift to be included in our annual auction.
- Sponsor our mobile bidding service. The service greatly enhanced the reach of our silent auction. By becoming a sponsor you would have the opportunity to have your logo appear on the bidding service website for the duration of the Jubilee of Trees.
- Memorialize loved ones no longer with us at An Evening of Remembrance hosted Sunday evening.
- Attend the box lunch hosted Monday, Nov. 19, from 11 a.m. to 2 p.m. Tickets may be purchased online at **bearriverhospital.org/jubilee** for \$10 per person.

Thank you for making the season bright and healthy for our neighbors.

Sincerely,

DeLynne Porter
