5. Complete the **Create Job Alert** form. Only those sections with a * are required. Use the filters to narrow your job alerts. When finished, click **OK**.

You can create multiple job alerts to help ensure you don't miss out on career opportunities with Intermountain.

After a job alert has been created, you will receive an email notification as soon as a job that fits your criteria is posted. Job alerts can also be edited or deleted at any time by navigating to job alerts, clicking **Manage**, then **Edit** or **Delete**.
