

Pediatric Grand Rounds

Advancing Pediatric Education for more than 50 Years

Thursdays 8:00 am – 9:00 am MT

Primary Children's Hospital Jim & Carol Laub Auditorium

A broadcast is available in the Modersitzki Family Education Center, Room 2 at the Miller Campus of Primary Children's Hospital in Lehi

NOVEMBER 2026 - NOVEMBER

NOV 5 - INAUGURAL LECTURE IN PEDIATRIC BEHAVIORAL HEALTH

Lisa M. Horowitz, PhD, MPH

Professor, Department of Psychiatry, University of Colorado School of Medicine
Director of Preventing Suicide Initiative, Pediatric Mental Health Institute
Director of Hospital-Based Research, Child and Adolescent Mental Health Children's Hospital Colorado

Beyond Suicide Risk Screening: Using Research to Build Better Suicide Care Pathways

- Identify youth suicide as a national and global public health problem, including key disparities in risk and access to care.
- Explain how research on screening can inform better care pathways and improve outcomes.
- Discuss the importance of moving beyond screening and assessment and ensuring linkage to suicide-specific care.

NOV 12

Zachary Drapkin, MD

Associate Professor, General and Pediatric Emergency Medicine
Course Director, Transition to Internship Course
Associate Director, Pediatric Emergency Medicine Fellowship
Spencer Eccles University of Utah School of Medicine

Joshua Logan, BSN, RN, CPEN

Charge Nurse, Pediatric Emergency Department
Primary Children's Hospital, Salt Lake City Campus
Executive Council (Co-Chair), Intermountain System Pediatric Emergency Response Committee

Mind Over Medicine: Science and Strategy for Peak Performance Under Pressure

- Recognize the impact that pressure has on cognitive, physical and emotional performance and develop practices and routines that limit the negative impact of pressure on performance.
- Explore the role of deliberate habit formation in developing systems to mitigate the stress response for both individuals and healthcare teams.
- Leverage systems that improve team dynamics in order to optimize collective and individual performance under pressure.

NOV 19

Kirti Sivakoti, MD, CPE, CALC

Assistant Professor of Pediatrics
Division of General Pediatrics
Spencer Fox Eccles University of Utah School of Medicine
Associate Medical Director, Pain and Autonomic Symptoms Evaluation and Support (PAUSE)
Primary Children's Hospital

The Evolving Landscape of Adolescent Dysautonomia: Current Concepts and Clinical Updates

- Review the emerging evidence on the evaluation and management of adolescent dysautonomia.
- Apply practical (and evidence-based) strategies to diagnose and manage adolescents with dysautonomia.

NOV 26

No Pediatric Grand Rounds in observance of Thanksgiving Day.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Health, Intermountain Children's Health, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Health is accredited by the ACCME to provide continuing medical education for physicians. AMA Credit: Intermountain Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Intermountain Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This activity is being jointly provided by Intermountain Health, Intermountain Children's Health and the Department of Pediatrics at the University of Utah School of Medicine. This live activity offers a maximum of 1 nursing contact hour. Successful completion is attendance at entire event. No commercial support is being received for this event.
