NOVEMBER 2024 - PREMATURE AWARENESS MONTH

NOV 7

Laura Summers, MPP

Director of Industry Research & Senior Health Care Analyst
Kem C. Gardner Policy Institute
Thomas S. Monson Center, University of Utah

Utah Behavioral Health Master Plan: Where Are We Now and Where are We Heading?

- Analyze the outcomes from an assessment of Utah's behavioral health systems, with a specific focus on needs, gaps, and challenges facing Utah's children and youth.
- Discuss how to navigate Utah's Behavioral Health Master Plan, which serves as a guide for private and public sectors, systems, and stakeholders striving to create more accessible, equitable, aligned, and effective mental health and substance use disorder systems in Utah.

NOV 14

Karen C. Manotas, MD (she/her)

Assistant Professor (Clinical), Division of Child Psychiatry,
Dept of Psychiatry
Adjunct Assistant Professor, Dept of Pediatrics
Director of Mental and Behavioral Health Services, West
High School Clinic
Co-Director School-Based Psychiatry | Utah School Mental
Health Collaborative

Meeting Students Where They Are...Literally: An Integrative Approach to School Based Care at West High School Clinic

- Assess the evidence of school-based health centers as an effective mechanism to reach at risk children and adolescents.
- Review the rationale and process to open the West High School Clinic—including improving access to care and improving pediatric training in mental health care.
- Demonstrate the impact of an integrative health care model nested within a school-based health center as a model for adolescent mental health care.

Kimberly Hansen, MD FAAP

Assistant Clinical Professor in Department of Pediatrics
Medical Director, University of Utah West High
School Clinic

Jeff A. Robison, MD

Associate Professor, University of Utah School of Medicine
Vice Chair for Community and Global Engagement,
Department of Pediatrics
Robert Bolte Endowed Chair in Pediatric Emergency
Medicine

NOV 21

Rachel Rosen, MD, MPH

Professor of Pediatrics, Harvard Medical School
Director of the Aerodigestive Center, Boston Children's
Hospital

Diagnostic and Therapeutic Advances when Caring for the Aspiring Child

- Review the upper gastrointestinal causes for aspiration in children
- Explain the role for gastrointestinal testing in patients
- Discuss new therapies for aspiration including thickening complexities

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Health, Intermountain Children's Health, and the Department of Pediatrics at the University of Utah School of Medicine. Intermountain Health is accredited by the ACCME to provide continuing medical education for physicians. AMA Credit: Intermountain Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Intermountain Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. This activity is being jointly provided by Intermountain Health, Intermountain Children's Health and the Department of Pediatrics at the University of Utah School of Medicine. This live activity offers a maximum of 1 nursing contact hour. Successful completion is attendance at entire event. No commercial support is being received for this event.
