

Choose Your Path to Character-Based Leadership

Developing Trusted & Effective Leaders

Create strategy and vision

Developing Trusted and Effective Leaders is uniquely designed for senior management committed to shaping culture and driving meaningful organizational impact.

- **Audience:** Selected, experienced leaders who create long-term vision, strategy, and goals
- **Focus:** Enhance character-driven, values-based leadership through a rigorous, introspective curriculum and executive simulations
- **Format:** 1-week intensive in-person training
- **Core Benefit:** Strengthen ability to lead complex initiatives and influence transformational change

Foundations of Leadership

Translate vision into action

Foundations of Leadership is thoughtfully constructed for newer managers, with direct reports, who bridge front-line employees and senior leaders.

- **Audience:** Mid-level managers starting their leadership journey
- **Focus:** Build core leadership skills founded in character, emotional intelligence, and communication
- **Format:** 3.5 days in-person training
- **Core Benefit:** Enhance team engagement and relationship-building by fostering credibility and trust
