Recognizing Our Children's Health Donors

Message from Dave

Dear Friends,

This year marks the publication of our first digital annual Children's Health Honor Roll, and we are deeply honored to recognize your philanthropy in it. Your support, whether new or longstanding, fuels our mission and magnifies our impact. Thank you for believing in Intermountain's vision to create the nation's model health system for children.

It is incredibly inspiring to witness our community come together, united by a shared commitment to transforming children's lives and ensuring a brighter, healthier future for every child in our care. Progress of this magnitude does not happen without vital support from our community. The historic impact you've helped to create is immeasurable, and your support has ignited a ripple effect that touches countless lives.

We deeply appreciate your generosity and dedication. Your contributions go beyond financial support; they embody compassion and hope for children and families in our community. Your commitment to prioritizing *The Child First and Always* and providing exceptional care to our patients and their families makes you the architects of brighter futures, champions of hope, and inspirations for the stories yet to come.

Thank you for driving our noble mission forward.

David L. Flood

Chief Development Officer, Intermountain Health
President, Intermountain Foundation

Leadership Giving

Our leadership donors, recognized on our Primary Children's donor walls for their generous cumulative giving of \$25,000 or more, are essential in shaping our mission and ensuring a brighter future for the children and families we serve. Their commitment profoundly impacts our work, and we are deeply grateful for their partnership.

We strive for accurate reporting, but occasional errors may occur when compiling large donor lists. If your name was inadvertently omitted, included, or misspelled, please let us know by emailing DonorRelations@imail.org. Thank you.

Loyalty Giving

We are proud to acknowledge our loyal annual donors who cumulatively contributed between \$1,000 and \$24,999 to Children's Health in 2023. Their support plays a crucial role in our mission and helps us make a lasting impact on the lives of the children and families we serve. We are deeply grateful for their continued generosity and commitment.

We strive for accurate reporting, but occasional errors may occur when compiling large donor lists. If your name was inadvertently omitted, included, or misspelled, please let us know by emailing DonorRelations@imail.org. Thank you.
