2020 Virtual Event

Festival of Trees will be transitioning to a virtual event this year. As a fundraiser for a healthcare organization, it is our foremost obligation to encourage the safety and health of the people we serve by helping to prevent the continued spread of COVID-19. Moving the Festival of Trees to a virtual event serves as a preventative measure to keep our communities as safe and healthy as possible. While some may be disappointed by this change of plans, we believe that being responsive in limiting the broadening reach of the virus is imperative. This year's virtual event will be hosted at the Festival of Trees Warehouse in Salt Lake City. The general public will be able to view the event online. Check our website at www.festivaloftreesutah.com for updates and the latest information.

Upon completion, all creations become the property of Festival of Trees.
