Data Usage Notification
To support the growth of the ECHO movement, Project ECHO® collects participation data for each teleECHO™ program. This data allows Project ECHO to measure, analyze, and report on the movement’s reach. It is used in reports, on maps and visualizations, for research, for communications and surveys, for data quality assurance activities, and for decision-making related to new initiatives. All information shared must be deidentified to remain HIPAA Compliant.

Intermountain Project ECHO is accredited to offer continuing education credits to many qualifying clinicians. To be eligible to receive credit for a Project ECHO session, participants must attend the full session, complete an electronic roll-call, and complete a post-session survey.

Accreditation: Intermountain Healthcare is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit: Intermountain Healthcare designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
Disclosure: Neither the speaker(s), planner(s) nor anyone in control of content for today's accredited educational activity have any relevant financial relationships.

NASW UT Credit: This session has been approved for 1.5 CEUs from the National Association of Social Workers.

CDR Credit: This session has been approved for 1.5 CEUs from the Commission on Dietetic Registration.

If you have any questions about qualifying for or receiving continuing education credits for attendance, please contact IntermountainProjectECHO@imail.org.
