

PROJECT ECHO

PAIN MANAGEMENT

Beginning March 2, 2021

Intermountain®
Healthcare

First and third Tuesday of every month
Noon to 1 p.m. Mountain Time

Be part of a video-based learning network, including an expert panel and peer providers, to develop and expand the expertise of community providers to safely and effectively manage pain for patients.

Open to all physicians, APPs, pharmacists, physical therapists, nurses, and any caregiver involved in treating pain. Registration required.

SESSIONS TO INCLUDE TOPICS SUCH AS:

- Overview of Pain Management
- Non-Opioid Strategies
- MME & Tapering Guidelines
- Conversation Starters & Difficult Conversations
- Polypharmacy & Opioid use
- Medical Cannabis
- Behavioral Health & Chronic Pain
- Substance Use Disorders & Chronic Pain
- Nutritional Diet, Sleep & Exercise
- Pediatric Pain
