“Working with the pharmacy technicians were so helpful, plus the convenient 90 day quantity saved me money on my monthly copays.”

“I had questions about my new blood pressure pills, so I called the Home Delivery Pharmacy. An Intermountain pharmacist explained possible side effects, how to manage them, and when to call the doctor. It’s great having an expert I can call.”

“I was pleasantly surprised how quickly I received my medication. It was great.”

### QUALITY ASSURANCE

We have highly trained pharmacists, pharmacy technicians and state-of-the-art technology to ensure your medications are filled accurately.

Every time we fill your medication, we check for allergies, drug interactions, and other potential problems to ensure your safety.

### CONVENIENCE

We can send a 90-day supply for many medications so you don't have the hassle of filling your prescriptions every month.

### PERSONALIZED SERVICE

Home Delivery works with your physician to receive and fill new prescriptions. We also work with your current pharmacy to move your prescriptions to the Intermountain Home Delivery Pharmacy.

Pharmacists and pharmacy technicians are available to answer questions about your medication therapy, pricing, or any medication-related concerns that you have.

### NO SHIPPING CHARGES

We ship your medications free of charge. Your orders arrive in unmarked, tamper-resistant packaging for your privacy.

### EASY TRANSFER TO HOME DELIVERY PHARMACY
