

Working to Keep You Working

Intermountain WorkMed's Focus

We provide high quality, prompt medical care and occupational health services while helping companies reduce workers' compensation costs and lost productivity.

Assistance with Compliance

We offer assistance with compliance to all federal, state, and local agencies including:

- OSHA (*Occupational Safety and Health Administration*)
- DOT (*Department of Transportation*)
- ADA (*Americans with Disabilities Act*)
- Utah Labor Commission

Employer Benefits

We offer a full range of occupational health services and standardized care that meets your company's policies and procedures.

Benefits of using WorkMed to the employer include:

- Contained workers' compensation costs
- Reduced/eliminated lost time at work, improving productivity
- Work-site visits, tours, trainings, screenings, and health/safety promotion services from our medical providers

Workers' Compensation

Unmanaged workers' compensation claims increase the costs of:

- Medical expenses
- Indemnity costs
- Insurance premiums

WorkMed will help you contain these costs and manage workers' compensation. We also provide timely and accurate injury reporting.

Employee Benefits

Your employees will also benefit from using WorkMed. They will:

- Receive respectful, compassionate, fair, and objective care that meets their needs and your company's expectations
- Be cared for by expert medical providers including occupational physicians, physical therapists, and care managers
- Have access to convenient office hours that coordinate with their work hours

WorkMed Services

We provide comprehensive treatment and management of industrial injuries and illnesses as well as services to enhance ergonomics. We also conduct physical exams necessary for:

- Pre-employment
- DOT
- OSHA-mandated
- Respirator
- Fitness for duty
- Return to work
- FAA certification

Testing

WorkMed provides testing services including:

- Laboratory
- Pulmonary function
- Audiometric
- Vision screening
- Respirator fit testing
- X-ray

**We have a large referral system for Medical Review Officer (MRO) services and federally certified labs*

Drug Screening and Breath- Alcohol Testing

- Pre-employment
- Random
- Follow-up
- Post-accident
- Reasonable suspicion

**We offer online drug screening results*

Advantages of Using WorkMed

Intermountain's WorkMed is the largest integrated occupational health network in Utah and a preferred provider for the Workers Compensation Fund. We offer a comprehensive and highly tailored approach to occupational health services. With our convenient hours and locations and immediate access to providers, we provide timely delivery of high-quality services.
