Pediatric Colorectal Scientific Meeting

Contact Amanda Kirk at IPCE for more information at amanda.kirk@imail.org directly at (801) 442-4229 or the main IPCE phone line at (801) 442-3930

Blair Education Center
900 Round Valley Drive
Park City, UT 84060

July 11-12, 2019

Accreditation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Intermountain Healthcare, Intermountain Pediatrics, The Department of Pediatrics and Surgery at the University of Utah School of Medicine, Nationwide Children’s, Seattle Children’s and Cincinnati Children’s Hospitals. Intermountain Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit
Intermountain Healthcare designates this live activity for a maximum of 10 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

What to Expect This Year
- Scientific abstract presentations
- Selected manuscripts published in Journal of Pediatric Surgery
- Presentations by national experts
- Networking opportunities
- World-class recreation in a family friendly mountain town
About Conference
The Pediatric Colorectal Scientific Meeting is a new conference that brings together national pediatric experts to discuss the latest research and innovative treatments for rare conditions such as anorectal malformations and associated anomalies, Hirschsprung’s disease, rectal prolapse, motility disorders, and fecal incontinence.

Target Audience
- Pediatric Surgeons
- Urologists
- Gynecologists
- Radiologists
- Pathologists
- Basic Scientists
- Fellows and Residents

Program Outcomes
- To explore the complexities of caring for children with colorectal and pelvic disorders and the necessity of multidisciplinary collaboration.
- To identify opportunities for quality improvement within participants’ personal practices.
- To recognize the importance of long-term follow-up care in pediatric colorectal and pelvic disorders.
- To discuss the state of the art in research, define future research agendas, and delineate collaborative multidisciplinary research efforts in pediatric colorectal diseases.

Registration Information
- Please register to reserve your spot at the meeting and to ensure you receive continuing education credit.
- Register Online, but feel free to reach out via phone or email with questions.
- Register online at: https://cmetracker.net/IMHC/Login?FormName=RegLoginLive&EventId=36152
Venue and Travel
The 2019 Pediatric Colorectal Scientific Meeting will be held at the Blair Education Center at Park City Hospital. The Blair Education Center is a state-of-the-art conference facility in a beautiful setting, conveniently located:

- Just minutes from Historic Main Street in Park City, Utah
- 40 minutes from Salt Lake City International Airport
- 30 minutes from Downtown Salt Lake City

Accommodations
Attendees are welcome to stay at the hotel of their choice. Conference rates have been negotiated at the Park City Marriott with Conference Rates (Starting at $147 a night)

- Park City Marriott
  1895 Sidewinder Drive
  Park City, UT 84060
  (435) 649-2900
- BOOK BY JUNE 10, 2019

Keynote Speakers

Allan M. Goldstein, MD
Surgeon-in-Chief, Mass General Hospital for Children
Chief, Pediatric Surgery
Director, Pediatric Neurogastroenterology Program

Dr. Goldstein received his M.D. degree from Harvard Medical School in 1993 and then did a residency in general surgery at Massachusetts General Hospital from 1993-2000. He then went to New York where he completed a 2-year fellowship (from 2000-2002) in pediatric surgery at Columbia-Presbyterian Medical Center. In 2002 Dr. Goldstein returned to Mass. General to join the Department of Pediatric Surgery. His practice is limited to the surgical care of infants and children, including adolescents. He practices the full spectrum of pediatric surgery. Dr. Goldstein’s specific interests are in minimally invasive pediatric surgery and in intestinal disorders. He has an active clinical and basic science research program studying the causes and potential treatments of neurointestinal diseases, including Hirschsprung’s disease.

Brent C. James, MD, MStat
NEJM Catalyst

Brent James is known internationally for his work in clinical quality improvement, patient safety, and the infrastructure that underlies successful improvement efforts, such as culture change, data systems, payment methods, and management roles. He is a member of the National Academy of Science’s National Academy of Medicine, and participated in many of that organization’s seminal works on quality and patient safety. Dr. James is a Fellow of the American College of Physician Executives. He holds faculty appointments at several universities: Clinical Professor (Affiliated), Stanford University School of Medicine (Medicine); Visiting Lecturer, Harvard School of Public Health (Health Policy and Management); Adjunct Professor, University of Utah School of Medicine (Family Medicine; Biomedical Informatics); and Adjunct Professor, University of Sydney, Australia, School of Public Health.

Invited Speakers

Jason S. Frischer, MD
Director, Colorectal Center
Director, Extracorporeal Membrane Oxygenation (ECMO) Program
Pediatric Surgeon, Division of General and Thoracic Surgery
Associate Professor, UC Department of Surgery
Cincinnati Children’s Hospital

Kurt F. Heiss, MD
Professor of Surgery, Division of Pediatric Surgery
Department of Surgery, Emory University School of Medicine
Professor of Pediatrics, Department of Pediatrics
Emory University School of Medicine
Medical Director of Quality, Surgical Services
Children’s Healthcare of Atlanta

Kate McCracken, MD
Attending Surgeon, Pediatric and Adolescent Gynecology
Nationwide Children’s Hospital
Assistant Professor, Division of General Obstetrics & Gynecology,
Department of Obstetrics & Gynecology
Ohio State University College of Medicine

Richard C. Rink, MD
Robert A. Garrett Professor Emeritus
of Pediatric Urologic Research
Pediatric Urology
Indiana University School of Medicine

Organizing Committee

Michael D. Rollins, II, MD
Course Director
Professor of Surgery
Division of Pediatric Surgery
Department of Surgery
University of Utah School of Medicine
Director Primary Children’s Hospital Colorectal Center

Sarah Zobell, CPNP
Colorectal Center Program Manager
Primary Children’s Hospital

Olivia Arguinchona
Assistant Director
Outpatient Clinics and Diagnostics
Primary Children’s Hospital
Abstract Speakers

Hira Ahmad, MD  
Pediatric Colorectal Surgery Fellow  
Nationwide Children’s Hospital

Kara A. Bendle MSN, RNIII, CPN  
Cincinnati Children’s Medical Center Hospital  
Division of Pediatric and Adolescent Gynecology

Robert M. Dorman, MD  
Surgical Scholar  
Children’s Mercy Kansas City

Megan M. Durham, MD  
Division of Pediatric Surgery  
Emory University/Children’s Healthcare of Atlanta

Patricia Feil, MD  
Medical University Vienna

Molly E Fuchs, MD  
Clinical Assistant Professor  
Nationwide Children’s Hospital  
The Ohio State University

Devin R. Halleran, MD  
Pediatric Colorectal Research Fellow  
Nationwide Children’s Hospital

Danielle Hsu, MD  
Assistant Professor  
Division of Pediatric Surgery  
Texas Children’s Hospital  
Baylor College of Medicine

Zachary J. Kastenberg, MD  
Pediatric Surgery Fellow  
Division of Pediatric Surgery  
Department of Surgery  
University of Utah School of Medicine

Glen A. Lau, MD  
Assistant Professor of Surgery  
Division of Pediatric Urology  
Department of Surgery  
University of Utah School of Medicine

Elizabeth Leeflang, MD  
General Surgery Resident  
Division of Pediatric Surgery  
Department of Pediatrics  
University of Utah School of Medicine

Neha R. Malhotra, MD  
Pediatric Urology Fellow  
Division of Pediatric Urology  
Department of Surgery  
University of Utah School of Medicine

Connie Mantel, RN, CPN  
Reconstructive Pelvic Medicine  
Seattle Children’s Hospital

Paul McGaha II, MD  
General surgery PGY-4 resident,  
University of Oklahoma Health Sciences Center

Leah B. Moore, BSN, RN  
The Center for Colorectal and Pelvic Reconstruction  
Pediatric Surgery  
Nationwide Children’s Hospital

Liese Pruitt, MD  
General Surgery Resident  
Department of Surgery  
University of Utah School of Medicine

Alexandra Rehfuss, MD  
Pediatric Urology Fellow  
Nationwide Children’s Hospital

Rebecca M. Rentea, MD  
Director - Comprehensive Colorectal Center  
Department of Surgery  
Children’s Mercy Kansas City  
Assistant Professor of Surgery, UMKC School of Medicine

Scott S. Short, MD  
Assistant Professor  
Division of Pediatric Surgery  
Department of Surgery  
University of Utah School of Medicine

Mark Taylor, MD  
General Surgery Resident  
Department of Surgery  
University of Utah School of Medicine

A. Francois Trappey, MD  
Assistant Clinical Professor of Surgery and Pediatric Colorectal Fellow  
UC Davis Medical Center  
Shriners Hospital

Michael D Traynor, Jr, MD  
Surgical Resident  
Department of GI and General Surgery  
Mayo Clinic

Natalie Wall, MD  
Medical Student  
University of Utah School of Medicine

Alicia Waters, MD  
Pediatric Surgery Fellow  
Children’s of Alabama

Justin C. Wheeler, MD  
Director, Motility Disorders Program  
Division of Gastroenterology  
University of Utah Department of Pediatrics  
Primary Children’s Hospital

Li Yang, MD, PhD  
Clinical Fellow  
Union Hospital  
Tongji Medical College  
Huazhong University of Science and Technology  
Wuhan, China
Program Committee

Michael D. Rollins, II, MD (Chair)
Jeff Avansino, MD, MBA
Lusine Ambartsumyan, MD
Lesley L. Breech, MD
Jason S. Frischer, MD
Erin Garvey, MD
Akemi L. Kawaguchi, MD
Jacob Langer, MD
Kate McCracken, MD
Karen Elizabeth Speck, MD
Kathleen D. Van Leeuwen, MD
M. Chad Wallis, MD
Richard J. Wood, MD

Publications Committee

Megan Durham, MD - Chair
Payam Saadai, MD
Mark P. Cain, MD
Geri D. Hewitt, MD
Allan M. Goldstein, MD
Aaron P. Garrison, MD
Myron Allukian, III, MD
Ron Reeder, PhD
Casey M. Calkins, MD
Rebecca M. Rentea, MD
Scott S. Short, MD
