Investigator, Urologic Oncology Branch
National Cancer Institute, National Institute of Health | Bethesda, Maryland

Geoffrey Sonn, MD
Assistant Professor of Urology,
Stanford University Medical Center | Stanford, California

Sandra L. Yingling, PhD
Associate Dean for Educational Planning and Quality Improvement
University of Illinois College of Medicine | Chicago, Illinios

AWARDS BANQUET

with guest speaker
SHANNON
BAHRKE HAPPE

Growing up in Lake Tahoe, California, Shannon began skiing at the age of three. When she was in the seventh grade, a high school coach convinced her to try alpine racing. Apparently it took some convincing, because the coach called her every day for two months, begging her to give freestyle a chance. Having finally convinced her, Shannon began to train and compete. She first competed at the World Cup in 1999, finishing second place in dual moguls. From 1999 through 2002 she placed highly at seven World Cup events, including two victories.

In 2002, she was invited to join the U.S. Olympic Team for the Salt Lake Olympic Games. She won the silver medal, then went on to win the World Cup Championship. Injuries interrupted her career during 2004 and 2005, but by the end of 2005 she was once again on the slopes, qualifying for a spot on the US team going to the Torino Winter Olympics. She won a bronze medal in women’s moguls freestyle at the 2010 Vancouver Olympics. While she was recuperating from injuries she founded Silver Bean Coffee, a Salt Lake City-based coffee company, with her husband Matt Happe. The company features coffee blends named for Olympic athletes and a portion of the profits go to the athlete’s charity of choice. Known for her glittery eye makeup on the slopes, Shannon was also a student at the University of Utah. Her personal quote is “Success is failure turned inside out.” Her favorite places to ski are Lake Tahoe and Utah.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Primary Children’s Hospital, the Department of Pediatrics at the University of Utah School of Medicine, and Intermountain Healthcare. Primary Children’s Hospital is accredited by the ACCME to provide continuing medical education for physicians.

Designation: Primary Children’s Hospital designates this live educational activity for a maximum of 20.75 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Faculty Disclosure: Primary Children’s Hospital adheres to ACCME Standards regarding industry support of continuing medical education and disclosure of faculty and commercial sponsor relationships (if any) will be made known at the activity.

ADA: Intermountain Healthcare fully complies with the legal requirements of the ADA and the rules and regulations thereof. If any participant of this program is in need of accommodation, please do not hesitate to call and/or write to the IPCE office at 801-442-3930 or ipce@imail.org in order to receive service.
