## Purpose

Medical knowledge continues to grow as new evidence and best practices surface weekly. In order to keep pediatric primary care providers informed of tools and methods for implementing some of the latest best practices for reaching out to young patients and families to prevent suicide and to recognize and treat symptoms of traumatic / toxic stress.

## Four opportunities to participate

**September 6, 2019** at Utah Valley Hospital, Orem

**September 13, 2019** at McKay Dee Hospital, Ogden

**September 13, 2019** tune in online live for our rural caregivers

**September 27, 2019** at Doty Education Center, Intermountain Medical Center, SLC
