

# Employee Assistance Program

## Legal Assist

If your life or the life of a family member has been impacted by a legal issue, you may need the expert counsel of an attorney. The Intermountain Health Employee Assistance Program can help connect you with a participating attorney for a free, brief telephone consultation. This program is available to all caregivers, their spouse/partner, and dependents up to age 26.

### How It Works

1. Call our intake hotline at 1-800-832-7733 and tell the agent you'd like to access Legal Assist.
2. Our agent will connect you with a legal consultant who may be able to help resolve the issue or provide the needed resources. If not...
3. The legal consultant will schedule an appointment with a qualified legal counselor. You will receive a 'Next Steps' email with information about the confirmed time and how to connect for your appointment.
