

FESTIVAL OF TREES

2019 GIFT BOUTIQUE

*Thank you for helping to make Festival of Trees a "Gift of Love"
for children at Primary Children's Hospital.*

START EARLY

Large numbers of quality **handmade** gifts are needed. Involve your friends, relatives, neighbors, and associates. **Stress the importance of quality items**, but graciously accept all gifts. Encourage donors to package items when appropriate.

TURN IN

We encourage all gifts to be completed by November 1, so they can be priced before Festival begins. Please check each item to make sure it is clean and in good condition. Turn gifts in to Board Members in sturdy boxes with lids.

PRICING

Include the cost of materials for each item. Our goal is to price items at market value. The quality of work, the cost of materials, and the colors influence the price.

THANK YOU

We appreciate every item donated. Please send a thank you note to each person who contributes to Festival of Trees.
